Hawaii Content and Performance Standards III: Mathematics
Updated 9/28/05

Strand: Numbers and Operations

Standard 3. COMPUTATION STRATEGIES:

Use computational tools and strategies fluently and, when appropriate, use estimation

Topic and Benchmark

Estimation

MA.6.3.2 Recognize situations in which it is more appropriate to estimate than to compute an exact answer

***LineUp With Math™* Activities**

--Predict and resolve aircraft conflicts and explain results of mathematical calculations and simulations.
